

MKM 2004 Third International Conference on
MATHEMATICAL
KNOWLEDGE MANAGEMENT

<http://mizar.org/MKM2004>

SEPTEMBER 19th - 21st, 2004
BIAŁOWIEŻA - POLAND
 (organized by University of Białystok)

Important dates:

Submission Deadline: **May 15, 2004**

Notification of acceptance/rejection: **June 10, 2004**

Camera ready copies: **July 1st, 2004**

Knowledge representation
 Metadata
 Data mining
 Digital libraries
 Searching and retrieving
 Repositories of formalized mathematics
 Languages of mathematics
 Math assistants
 Deduction systems
 Computer Algebra Systems
 Authoring languages and tools
 Interactive learning
 Web presentation of mathematics
 MathML and XML based standards

Program Committee:

Andrzej Trybulec (Chair),
 University of Białystok, Poland
Andrew A. Adams,
 University of Reading, U.K.
Andrea Asperti,
 University of Bologna, Italy
Bruno Buchberger,
 RISC Linz, Austria
Roy McCasland,
 University of Edinburgh, U.K.
James Davenport,
 University of Bath, U.K.
William M. Farmer,
 McMaster University, Canada
Herman Geuvers,
 Katholieke U. Nijmegen, NL
Therese Hardin,
 Pierre & Marie Curie U., France
Fairouz Kamareddine,
 Heriot-Watt University, U.K.
Michael Kohlhase,
 Internat. U. Bremen, Germany
Paul Libbrecht,
 Saarland University, Germany
Bengt Nordstrom,
 Chalmers U. of Techn., Sweden
Renaud Rioboo,
 Pierre & Marie Curie U, France
Bernd Wegner,
 Technical U. of Berlin, Germany

Program Chair: **Andrzej Trybulec**
 Conference Chair: **Roman Matuszewski**

Affiliated Workshops – September 18, 2004

- **Mathematical User-Interfaces**, organized by Paul Libbrecht, paul@dfki.de
- **30 Years of Mizar**, organized by Grzegorz Bancerek, bancerek@mizar.org

We plan to publish the proceedings of the Conference in the Springer-Verlag *Lecture Notes in Computer Science* series.
